You are likely aware of the Minnesota audit and the feedback we received concerning "enhancement of the quality of its Sons of Norway board" members with financial, accounting, business ownership/management, executive leadership, etc., experience/backgrounds. This is now a key issue that state insurance departments look at as they regulate insurance companies and financial institutions such as Sons of Norway.

Additionally, in the state of Minnesota, the Department of Commerce (or the insurance regulators) requires Sons of Norway to file an annual Corporate Governance Annual Disclosure (CGAD), which explains the organization of the Sons of Norway board and the respective qualifications/experiences of its officers and directors.

This cover letter is about your education and professional experience that qualifies you for this position. Here are the skills, experiences and competencies they look for on governing boards: accounting/audit, actuarial, legal, investment, insurance management, corporate governance, business ownership/management, strategic planning, technology, marketing, human resources.
