An Evening about Sølje, the Jewelry of Norway past and present

Sons of Norway- 317 South Page Street, Stoughton

**Wednesday, September 14, 2022
7:00 PM**

Come learn about the National jewelry of Norway, aka Troll fighting Jewelry, the mythology, facts, and types of Sølje representing different regions of Norway. The closing of the Stationery Store brought out Janis Wegner's love of shiny things - culminating in the partnership with Barbara Zander. Together, they bought out their stock and had many great times admiring the jewelry and talking about growing up in Stoughton with Norwegian relatives.

Learn what the importance of silver is to the Norwegian culture. Bring your whole family, at the end we will have stations for the youth to try their hand at making their own sølje (geared toward the youth but adults are welcome to make one too).

Refreshments will be served! Everyone is welcome and no reservations needed!
