

2024 Family Lodge of the Year Form | Norway

Purpose and Instructions

This survey is used in part to determine Lodge Achievement awards. In addition to recognition, the survey helps to drive content and offerings that lodges can use for existing members or to help with recruitment of younger members. Please answer all questions and take advantage of comments sections throughout the form. The designated lodge officer (usually the secretary) should fill out the whole survey. The survey is estimated to take a minimum of 20 minutes to complete. Additionally, we suggest you download a draft copy from the Sons of Norway website so that you can look through the questions ahead of time and gather needed information.

The survey is worth up to 20 points. An extra 5 points will be awarded for submission by or on March 15.
